

ENGEAR

The journey of Conscious to Unconscious Competence

Effective communication skills are a catalyst for professional growth.

According to economic times (2021), **81%** of recruiters identify communication skills as important- more than any other kind of skill.

BACKGROUND

Our learner, Mr. Basaweswar belonged to the city of Hyderabad, India. He graduated from the University of Central Lancashire, England, United Kingdom.

Although he graduated from London, he admitted that his weakness was mainly his grammatical errors, pronunciation and word choices.

COMMUNICATION PROGRAM FOR WORKING PROFESSIONALS

IN 3 MONTHS

RECOGNIZING THE NEED

He needs more time to practice the spoken language in order to avoid the problems. He finds it difficult to speak in English because of a lack in the regularity of practice in the language.

He conveyed that he has appeared for numerous interviews but was not selected due to his mother tongue influence. During the interviews, he was advised to work on his pronunciation and communication skills. This urged the need for him to learn.

OUTCOME

The frequency of practicing supported with the investment of time and effort to learn became one of the most effective approaches. The more the learner practices, the better communication skills he may achieve.

It is important to provide the learner with the chance to interact in English using online technology with synchronous ways such as online chatting with audio-visual, or asynchronous ways such as simple indirect meetings through e-mails or other messaging facilities. These are the important cost-effective tools to practice the language.

English communication is the basis of all the communication that happens in a corporate environment. Hence, it is a ticket to entry for growing in your career.

TESTIMONIAL

I joined this program a few months back and it was one of the best decisions I have ever made. This program made sure that it corrects my communication skills. They worked on my grammar, sounds and pronunciation. They practiced with me and corrected my mistakes. Not just my communication skills, they helped me improve my public and presentation skills and all that in just a span of 3 months. I have recommended it to all my friends and acquaintances.
